\* \* \* \* \*

The Planning and Policy Committee has reviewed the current board policy CCE.BP "Definition of a School", and recommends that the policy be revised to include the addition of examples of an "organizational unit(s).

The policy is consistent with the definition of a school in the School Act RSA 1988 (Appendix II) and meets the district's needs for flexible organization. The addition of examples of organizational unit(s) will provide further clarification.
