RECOMMENDATION

That the reaffirmation of Board Policy GM.BP Acknowledgement of Deaths And Bereavements (Appendix I) be considered for the third time and approved.

Background

The existing policy has been in place since May 2001. The policy was reviewed by staff in Personnel Staff Relations and Support Services in 2007. At that time, the Administration contacted school boards in Calgary, Elk Island and St. Albert. It was determined that most boards do not have a formal policy, protocol or practice in place. Those jurisdictions that do have a formal policy or protocol have practices which are similar to our administrative regulation. Several jurisdictions indicated that the Board Chair and/or Superintendent would have the discretion to determine the representative(s) who would attend the funeral on behalf of their district.

Rationale

The policy and practice offer recognition to all current and former staff members and trustees. Our practice is similar to other jurisdictions in Alberta. There is a need to be mindful of the wishes of the families of the deceased and to consider issues covered by the *Freedom of Information and Protection of Privacy Act*.

Twenty-five people responded to the web survey; 24 of these were staff members. Twenty-three individuals indicated that no additions or deletions needed to be made to the policy.
