In the 1998-1999 school year, Curriculum, Programs and Planning collaborated with Talmud Torah School to develop a pilot draft of a Hebrew Language Arts (Kindergarten to Grade 9) Curriculum. This curriculum was piloted during the 1999 - 2000 school year and revisions have been completed. The high school component was also developed in the 1999 - 2000 school year.

This Hebrew Language Arts Curriculum was developed based on the Western Canadian Protocol for Collaboration in Basic Education: Common Curriculum Framework for Bilingual Programming in International Languages (Kindergarten to Grade 12).

A copy of the course is available for viewing in the Trustees' Reading Room.
