RECOMMENDATION

1. That Board Policy HD.BP – Instructional Time (Appendix I) be considered for the first time.
2. That Board Policy HD.BP – Instructional Time be considered for the second time.

* * * * *

Board Policy HD.BP Instructional Time was last reviewed in March 2003. The Administration has reviewed the policy and recommends that the existing content and wording remain as is.

A policy review web-survey was conducted in accordance with board policy review procedures and was open for input from April 4 to May 9, 2011. Key stakeholder organizations and partners were notified of the policy review process and survey.

As a result we received a total of 49 responses with 13 being from parents, 3 from Community Members, 1 from Community/Professional Organizations, 14 Principal/Decision Unit Administrators, and 18 Staff Members. The majority of the respondents (75.5 per cent) do not believe that the policy requires clarification.

As this policy is a reflection of School Act legislation, changes to this policy would only occur if changes to school act legislation on instructional time was changed.
