

**Summary of Board Meeting #10**  
**Held Tuesday, February 10**

**A. O Canada:**  (6:00 p.m.) – *District O Canada Video*

**B. Roll Call:** All Trustees were present.

**C. Communications from the Board Chair**

1. The Board Chair advised that this week (February 9<sup>th</sup> to 15<sup>th</sup>) is Random Acts of Kindness Week. The Board has endorsed and recognized Random Acts of Kindness Week since 1996. The Board encourages everyone to recognize and participate in random acts of kindness week whether it be to help a needy friend or anonymously shovel a neighbour's sidewalk.
2. The Board Chair advised that she had met with the Ambassador to France yesterday. She noted that the Ambassador commended the District for the work being done in second languages.

**D. Communications from the Superintendent of Schools**

The Superintendent advised of a change in the high school optimal enrolment limits for the upcoming enrolment process. High school principals came together with assistance from the Planning department to come up with a district solution to enrolment issues. The high school principals recommended that all grade ten classes of all high schools have an optimal enrolment limit to ensure a reasonable distribution of students and programming opportunities across the district. With the agreement of all principals, he accepted the recommendation, thereby ensuring long term viability of all of the district's high schools. In addition, high schools will ensure sufficient space is available for new students to the catchment area, as in the past. The information was shared with high schools and junior high schools this morning, with a great deal of agreement and acknowledgement of this work. With the opening of Lillian Osborne High School, we anticipate that some of pressure points at several south side high schools will be reduced. This information will be shared with parents and students as they prepare for the pre-enrolment process in the coming weeks.
