TO: Board of Trustees

FROM: A. McBeath, Superintendent of Schools

SUBJECT: Amiskwaciy Academy Update: Completion of Renovations

ORIGINATOR: G. Reynolds, Department Head

RESOURCE

STAFF: Bob Clark, Brian Fedor, Gary Holroyd

INFORMATION

The renovations for Amiskwaciy Academy at the City Centre Airport terminal building have been completed. The new site involved the renovation of the terminal building and construction was commenced on February 26, 2001 using construction management. The construction firm selected for the project was Cavan Contractors Ltd. All of the equipment, teaching materials and staff materials were relocated from the temporary site and the school is fully operational. A gymnasium is also being constructed, and work has begun on the foundation piles and grade beams. The anticipated date of construction completion for the gymnasium is June 2002.

A brief powerpoint presentation that highlights various sections of the completed facility will be provided by Richard Isaac of the architectural firm of Manasc Isaac Architects.
