RECOMMENDATION

That the current board regulation EDC.BR – *Publication and Authorization for Use of District Owned Materials*, Appendix I be rescinded.

\* \* \* \* \*

Under CHA.BP – *Board Delegation of Authority*, the board is able to authorize the administration, under the direction of the Superintendent of Schools, to act on their behalf in certain situations. The board regulation has been reformatted and revised as an administrative regulation. It is recommended that the board regulation be rescinded.

This new administrative regulation is also better aligned with the contents of the actual topic of the policy – *Publication and Authorization for Use of District Owned Materials*. The regulation was reviewed at Superintendent's Council on November 10, 1999.

In the future, work will be undertaken by School and District Services to further articulate ownership of copyright works created by employees in the course and scope of their employment with Edmonton Public Schools.
