INFORMATION

Rates charged to schools and central department decision units for services provided by cost recovery decisions units, and fees charged to staff, students, parents, and the community are revised annually by the administration. All fees are reviewed in accordance with board policy and administrative regulation to ensure that no charges are included for instruction or for the use of instructional materials other than for music instrument rental at junior and senior high schools and textbook rentals at the senior high schools.

The rates and fees for 2001-2002 are provided in Appendix I. Sections are highlighted where there is a rate change, or where a new service is provided for 2001-2002. A rationale is provided for changes in rates.

Student transportation fees will be established based on board approval of transportation contracts, Alberta Learning transportation grants for 2001-2002, and the cost to the district of Edmonton Transit bus passes.
