INFORMATION

This project was approved by Alberta Infrastructure within the district's 2001-2002 Block Fund Modernization allocation. The project budget is \$1,810,000.

The design for the project is the result of extensive consultation among the architectural consultants, school staff, students and community. The design reflects addressing the highest priorities achievable within the budget.

This project will be completed in conjunction with the four-classroom addition approved by Alberta Infrastructure for 2001-2002. The design report for the addition was presented to Board on February 26, 2002.

The project is targeted for completion by April 15, 2003.
