Background: In April 1999 the board of trustees approved for use in Edmonton Public Schools the Hebrew Language and Culture Twelve Year Program of Studies. In a continuing effort to meet the needs of students, the Hebrew Language and Culture Three and Six Year Programs of Studies have now been developed. The documents are based on the Western Canadian Protocol for Collaboration in Basic Education for Bilingual Programming in International Languages (Kindergarten – Grade 12) of which Edmonton Public Schools was a lead writer in 1998-1999.

The documents were developed collaboratively by Rachel Ovics, Teacher, Talmud Torah School and Dr. Nurit Reshef, Curriculum Coordinator, Talmud Torah School, Valérie Leclair, Consultant, Consulting Services, and Stuart Wachowicz, Director, Curriculum, Programs, Planning.

Copies of the locally developed courses are available in the Trustees' Reading Room.
