Subject: May 27 Board Meeting

I am requesting to be part of Tuesday's board meeting agenda. The request is that I feel the board is not well informed to the history and struggles the community has had with the transitional phase from Awasis to Sherbrooke, and why the community did what they did. I was involved with that transitional phase, I know the process that was used. I urge you to give a copy of the symposium to the Trustees for reference to my presentation.
