INFORMATION

During the period November 5 to 23, 2007, Trustees in subcommittee reviewed the 2006-2007 results of approximately two-thirds of the district's schools and each of the central decision units. Assistant Superintendents along with the Superintendent reviewed the other one-third of the schools. The results review documentation for all schools and central decision units will be placed in the Main Branch of the Edmonton Public Library and posted on the district website. As well, school results review documents are available to the public at each respective school. Central results review documents are available to the public at each respective decision unit. Each school has shared its results with its parent community.

Trustees may wish to comment on the results achieved by schools and central decision units that they reviewed, and on the implications of these results for current and future planning. Copies of the notes taken at Trustee Results Reviews will be provided to Trustees under separate cover.
