INFORMATION

During the period October 23 to November 3, 2000 trustees in subcommittee reviewed the 1999-00 results of approximately two-thirds of the district's schools and each of the central departments. The superintendent reviewed the other one-third of the schools. The results review documentation for all schools and central departments will be placed in each branch of the Edmonton Public Libraries, and is available to the public from Budget Services. Each school has shared its results with its parents and community.

Trustees may wish to comment on the results achieved or not achieved by schools and central departments that they reviewed, and on the implications of these results for current and future planning.
