On March 13, 2001, the board approved the following motion:

That the hearing of parental appeals relating to the provision of funding and, or programming for students with severe language and speech delays be delegated to the superintendent.

This delegation of authority has been reflected in the proposed revisions to board policy AB.BP Appeals. The revisions to the policy also authorize the superintendent to sub-delegate the authority to hear these matters to any person(s) who are on a roster, which shall be composed of persons recommended by the superintendent and approved by the board.

The following members of the administration are being recommended for the roster, effective immediately:

Marion deMan, Department Head, Instruction and Curricular Support Services
Ken Dropko, Executive Assistant to the Superintendent
